

Lash Lift

Aftercare

POLISHED

Beauty

to ensure your Lash Lift stays in beautiful condition you are required to follow this aftercare advice:

for the first 24 hours;

DO NOT get your lashes wet

DO NOT use mascara

Be careful not to flatten your lashes when sleeping Try not to touch or rub your eyes too much

After 24 hours

Enjoy having your gorgeous eyelashes

Tip!

Combing your lashes upwards after getting them wet or taking off mascara will ensure a long lasting result.
